### **SEMINAR OVERVIEW:-**

The seminar titled “**National Education Policy 2020 – A Roadmap for Viksit Bharat**” seeks to critically examine the vision, framework, and transformative potential of the National Education Policy 2020 in shaping India’s future. As the nation moves toward the goal of becoming a developed country by 2047, education emerges as the most powerful instrument for social transformation, economic advancement, innovation, and nation-building.

This seminar provides a dynamic platform for academicians, researchers, policymakers, institutional leaders, industry representatives, and students to deliberate on the structural and systemic reforms proposed under NEP 2020. It will focus on key dimensions such as the restructured school education system (5+3+3+4 model), holistic and multidisciplinary higher

education, integration of vocational skills, teacher education reforms, promotion of research and innovation, digital learning ecosystems, and inclusive education practices.

The discussions will also explore the role of Indian knowledge systems, value-based education, governance reforms, and global collaboration in strengthening India's educational landscape. Emphasis will be placed on identifying implementation challenges, sharing best practices, and formulating practical strategies to translate policy vision into measurable outcomes.

Through keynote lectures, panel discussions, paper presentations, and interactive sessions, the seminar aims to generate constructive dialogue and actionable recommendations. Ultimately, it aspires to highlight how effective implementation of NEP 2020 can pave the way for a knowledge-driven, innovative, equitable, and self-reliant Viksit Bharat.
